AORA

AESCULAP ACADEMY®

HYBRID FELLOWSHIP IN REGIONAL ANAESTHESIA

AAHFRA 2027

Learn online. Train hands-on. Practice with confidence.

ABOUT THE FELLOWSHIP

A 12-month programme by the Academy of Regional Anaesthesia (AORA), India; supported by AESCULAP Academy, Germany. Built for practising Anaesthesiologists who want structured training in regional anaesthesia without stepping away from their practice. Combines online teaching with hands-on contact training at leading centres.

APPLICATION OPEN

LIMITED TO 40 FELLOWS

WHAT YOU WILL EXPERIENCE

Fortnightly online classes

Focused 60–90-minute online sessions by expert faculty, every alternate Thursday. Schedule attached*.

WhatsApp teaching and block-video learning

Bite-sized learning and ultrasound-guided block videos that build real scanning skills.

Small-group mentoring

Each mentor guides 3–4 fellows, with fixed interaction slots for timely answers.

15-day contact programme

Immersive, hands-on training at contact centres: Ganga Hospital, Coimbatore; AIG Hospitals, Hyderabad; Sancheti Hospitals, Pune;

Workshops

One hands-on USG workshop and one hands-on cadaveric workshop, to be attended at the AORA Annual Conference / AORA affiliated workshop.

HOW TO APPLY

Eligibility:

- 5 years post graduate (MD/DNB/DA in Anaesthesiology), practising anaesthesiologist
- Life member of Academy of Regional Anaesthesia (AORA), India.
